Mixbag

1st & 3rd Wednesday of month
7:00pm – 8:00pm

Mary Rose Muckian is one of Dundalk FM's most experienced and multifaceted contributors, presenting Mix Bag and contributing to the Lunchbox, the Afternoon Show and Drive Time across the station's weekday schedule.

Mix Bag, airing on the first and third Wednesday evenings from 7.00 pm to 8.00 pm, is a genre and themed show and you can be sure that the music selection will keep you entertained – everything from soul to country to indie to folk to emo to rock to electronic music.

She has also contributed to the Good Morning Dundalk team during holiday periods, reflecting the breadth and reliability that makes her one of the station's top music presenters. Her warmth on air and her real engagement with the music she presents are consistent qualities across everything she does at Dundalk FM.
